

# OCR's *post-results* services and fees: June 2024 series

There are a number of options available if you have a concern about a result.

Here's a quick guide to your main options: requesting one of our **reviews of results** or getting hold of a copy of a marked exam paper (**access to scripts**). If you still have a concern after this, we offer an appeals service. Students should speak to a teacher or exams officer at their school or college about post-results services.

**All post-results services must be requested via a school or college.**

**Deadlines**  
**General qualifications and Cambridge Nationals (as applicable)**  
 22 August 2024 – priority reviews of marking (Level 3 only)  
 26 September 2024 – reviews of results, missing and incomplete results and late certification  
 26 September 2024 – deadline for downloading scripts from Access to Scripts service  
**Cambridge Technicals**
