

Series Name	June 20XX									
Centre Number	9	8	7	6	5	Centre Name	OCR Academy			
Specification Code	H	5	0	5	Specification Title	Unit Y100: Topic based essay				
Component Code					01	Component Title	Internal Assessment			

Marks had to be amended by the centre. The reason for this was either:

(a) Inconsistent marking **or** (b) Arithmetical error

(a)	(b)
-----	-----

Details of mark adjustments applied, if any, are notified separately in summarised form on the Moderation Adjustments Report enclosed with the results documentation.

Comments:

[The moderator will provide personalised and concise comments here, focusing on the administration of the coursework, interpretation of the marking criteria and the quality of the sample submitted.]

Applications for the Re-moderation of Internally Assessed Work

A Centre may apply for a re-moderation of coursework in accordance with procedures set out in OCR's Results Enquiry Services which are published to Centres with the provisional results. Applications for re-moderation of coursework must be received by OCR not later than the deadline published in OCR's booklet *post results services*.
