Design and Technology

OCR (9-1) GCSE, AS and A Level

Candidate Declaration Form

This form must be attached to the candidate's portfolio and then submitted with the candidate's portfolio if requested by the moderator. Any work not requested for moderating purposes must keep its form attached until after results have been issued.

Centre number

Centre name

Candidate number

Candidate's full name

Work submitted for assessment **must** be the candidate's own. If candidates copy work, allow candidates to copy from them, or cheat in any other way, they may be disqualified.

Candidate declaration

Have you received help/information from your teacher(s) to support the development of your design solution or final prototype(s)?

☐ No ☐ Yes *(give details below or on a separate sheet if necessary)*

Have you received help/information from anyone **other than** subject teacher(s) to support the development of your design solution or final prototype(s)?

☐ No ☐ Yes *(give details below or on a separate sheet if necessary).*

Please list below any books, leaflets or other materials (e.g. DVDs, software packages, internet information, artificial intelligence tools) used to complete this work **not** acknowledged in the work itself. Presenting materials copied from other sources **without acknowledgement** is regarded as plagiarism.

I have read and understood the above. I confirm I produced the attached work without assistance other than that which is acceptable within the specification, or I have stated explicitly the guidance received within this form.

Date | D | D | M | M | Y | Y | Y | Y

Teacher declaration

I confirm the candidate's work was conducted under the conditions laid out by the specification. I have authenticated the candidate's work and am satisfied (to the best of my knowledge) that the work produced is solely that of the candidate.

Details of additional assistance given
Record here details of any assistance given to this candidate which is beyond that given to the class as a whole and beyond that described in the specification (*continue on a separate sheet if necessary*).
Any additional support must be taken into account when marking the candidates work. You must indicate via your annotations where you have taken into account the additional support provided.
