Fees for late entries, withdrawals, entry amendments and transfer of candidates

The accurate and timely submission of entries is critical to the successful delivery of OCR's services to centres. Entries received after the advertised deadlines can disrupt carefully scheduled processes and ultimately jeopardise the final production and delivery of results. Late entry fees are therefore applied both to recover the costs associated with the additional processing requirements and to promote the submission of entries by the advertised closing dates. Late entry fees will not be refunded.

Candidate entry	The submission of the four-digit entry code (plus any associated tier/option code) as defined in the OCR Entry Codes booklet or basedata issued by OCR. For unatised schemes, there is a separate entry code for each unit (including coursework units) and also the associated certification entry. An entry fee is charged for each unit or, in the case of linear qualifications, for the overall qualification.
Certification entry	For unatised qualifications only, an entry to indicate an overall qualification grade, where an award is expected for the candidate in the series. There is no entry fee for certification entries apart from for the legacy GCSE Short Course (late fees do not apply to this).
Late entry (Stage 1)	Charged for each entry received after the entry deadline. This fee is the equivalent of the original entry fee and is charged in addition to the entry fee.
Very late entry (Stage 2)	Charged for each entry received after the late entry (Stage 1) deadline. This fee is double the original entry fee and is charged in addition to the entry fee.
Pirate entry	A pirate entry is an entry created by OCR in response to work submitted for a candidate who has not been formally entered by the centre. Very late entry fees (Stage 2) will be applied (double the original entry fee) in addition to the original entry fee.
Option change (amendment)	This can represent a choice between question papers, the method of moderation (postal or OCR Repository) or the choice to carry forward a candidate's results for an internal assessment. See the OCR Entry Codes booklet for further details and option codes.
Tier change	This changes the level at which a candidate will sit an exam (i.e. Foundation or Higher). For example, changing J560F to J560H would change a candidate's entry for J560 from Foundation tier to Higher tier. New for the June 2019 series, tier changes are now free until 21 April, at which point the very late fee (Stage 2) will be charged.
Withdrawn entry	The removal of a candidate entry after it has been received. Entry fees will be refunded for candidate entries withdrawn up to one week prior to the issue of results, on the production of a medical certificate for medically unfit candidates and as above. For bereaved or deceased candidates, a letter on centre-headed paper should be provided. To claim a refund for medically unfit candidates, please forward the supporting documentation to the Entries Team at OCRGQ.entryprocessing@ocr.org.uk
Resit	Where a candidate is resitting exactly the same unit in June as taken in January, the entry deadline of 21 February is extended to 21 March. Subsequent entries are subject to very late entry fees.

Transfer of candidate from one centre to another	Fee (£)
The administration fee for candidates who transfer from one centre to another to sit their examinations	35.10 per candidate
