Section A.Q1-3.1c	Allowing prisons
Section A.Q1-3.2	Lists general crimes, nothing since 1900 so list of events Level 1
Section A.Q1-3.3	Level 2 more courts and manor courts
Section A.Q4/Q5.Q4.4	Gets one explain for population growth causing fewer jobs as reinforcing earlier egs but not pickpocketing as explanation is disjointed Argument against at tax and smuggling
Section B.Q6-7.7	Compares B and C with no support at however, C mentions its a myth which is support Level 3 7
Section B.Q8/Q9.Q8.8	GENERAL POINT FOR THIS QUESTION: We will allow an argument that agrees with the statement around Edward taking a deliberate vow of chastity/celibacy. This is because most texts will have included this as fact. However, it should be acknowledged that recent interpretations have questioned this as fact. Second paragraph explains idea of being vague about the succession making it clearer from first one
