

## Support highlights

We've collated links to some of our core resources into this one-stop guide. These highlighted resources will enable you to get up to speed quickly in the classroom and support your students in preparing for assessment. They include materials that will focus your teaching on individual abilities of students, help determine their capabilities and above all save you time. Many more resources are available from the [OCR website](#).

## Delivery guides

[Click and scroll down the page to see our delivery guides](#)

Delivery guides, giving a range of ideas for lessons all structured by learning outcome. Useful to use both in the classroom and potentially for use from home. Contains guidance on common misconceptions and activities to overcome them. Full of activities to help learning.

These can help parents to navigate the unit with their child as well as the teachers using activities within to base their lessons on.

## Topic exploration packs

[Click and scroll down the page to see our topic exploration packs](#)

A series of teacher PowerPoints which can be used off the shelf with students. Also contains links, diagrams and images which make them student friendly and could be used for home schooling as well. Available for units 12, 20 and 21.

## Teaching activities

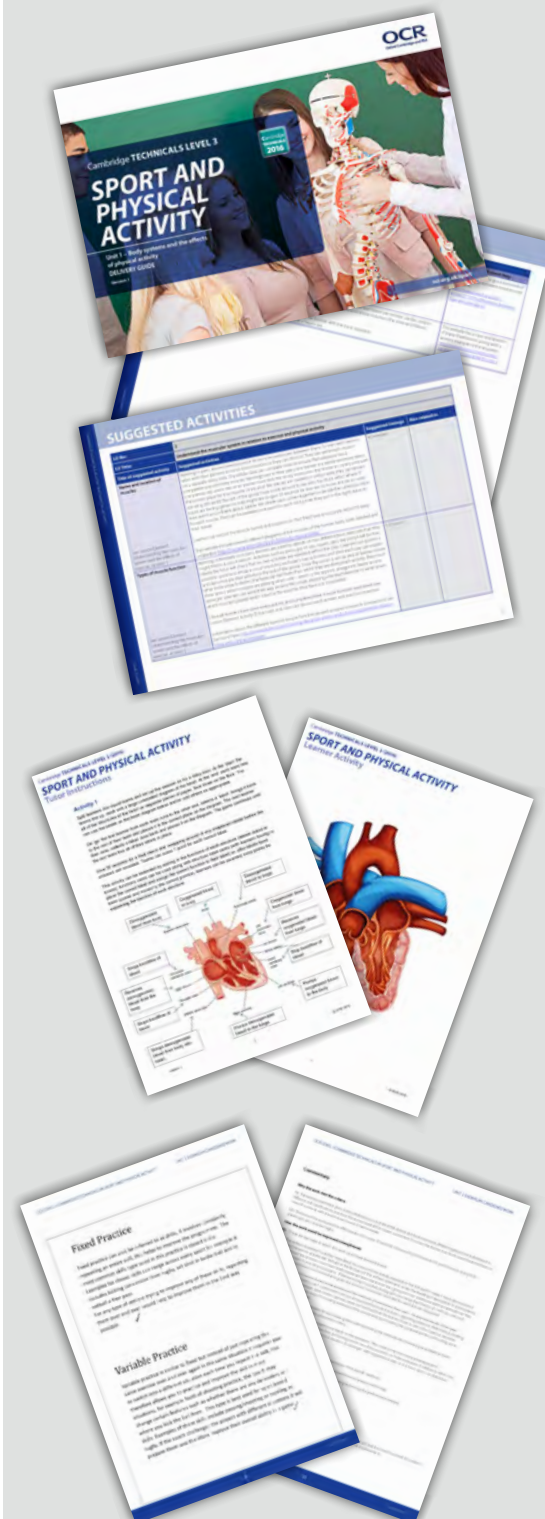

[Click and scroll down the page to see our teaching activities](#)

Activities and worksheets for use by teachers in the classroom which can also be completed by students at home for units 1-4. Fully editable for your use.

## Candidate Exemplars

[Click to see our candidate exemplars](#)

Candidates exemplars to help you with your marking of exam questions and internal assessment.

## You may also like

### ExamBuilder

[ExamBuilder](#) is the question-building platform for a range of our GCSE, A Level, Cambridge Nationals, Cambridge Technicals and Functional Skills qualifications. You can see the full list of available qualifications on the [sign up](#) page.

ExamBuilder is a user-friendly package in which you can design your own bespoke exams and tests using a library of exam questions from OCR past papers. You can select topics for assessment and part or full exam questions to test your students' understanding of the subject against genuine exam questions. Putting together a test takes minutes and they can be printed with your school or college's logo on an exam style front sheet.

ExamBuilder is **free for all OCR centres** with an Interchange account and gives you unlimited users per centre.

Practice tests created in ExamBuilder are available from the OCR website for [Unit 01](#), [Unit 03](#), [Unit 04](#) and [Unit 21](#).

### OCR Training

[Here](#) you will find exemplar materials that will help build confidence in delivering, marking and administering internal assessment.

### Resource Lists

[Click and scroll down the page to see our list of relevant resources](#) which include books, websites for Units 1, 2, 3 and 4.

### Project delivery approaches

[Click and scroll down the page to see our project delivery approaches](#) which include suggestions on how to approach the delivery of different pathways through the qualification.

### Qualification calculator

A [qualifications calculator](#) to ensure that you are completing correct combinations of units.

### Assessment materials

Access past papers, mark schemes and examiners' reports from the [OCR website](#).

## New resources to support you

### Scheme of work for Units 1 and 3

A scheme of work covering Unit 1 and [Unit 3](#), giving you ideas of what to cover and when.

## Professional Development

### Understanding the Assessment: Bring your questions to the Subject Advisors. Cambridge Nationals Sport Studies and Sport Science & Cambridge Technicals Sport and Physical Activity (Online Q&A)

This online course allows you to bring along your Cambridge Nationals Sport Science, Cambridge Nationals Sport Studies and Cambridge Technicals Sport and Physical Activity questions to get answered by the Subject Advisor.

### Find an event

See our range of professional development courses using the '[Find an event](#)' search tool.

We're now running all our CPD training online rather than face-to-face. Future courses will be in the form of a webinar, offering the same high-quality training as our face-to-face training. If you have any questions, please email [professionaldevelopment@ocr.org.uk](mailto:professionaldevelopment@ocr.org.uk)

## Cambridge Assessment resources

### Resource Plus from Cambridge International

These [digital resources](#) are now available to all OCR teachers free of charge. Resource Plus gives you access to high quality videos, ready-made lesson plans and teaching materials that you can use to help your students learn and prepare for their exams. We also offer Resource Plus materials that are designed for you to share with your students.

## Publisher materials

### Hodder Education

[Cambridge Technicals Level 3 Sport and Physical Activity - Textbook](#) – Support your teaching of the new Cambridge Technicals 2016 suite with Cambridge Technical Level 3 Sport and Physical Activity, developed in partnership between OCR and Hodder Education; this textbook covers each specialist pathway and ensures your ability to deliver a flexible course that is both vocationally focused and academically thorough.

## Keep connected

[Sign up for updates](#) to ensure you hear first regarding any changes, updates and additions to the support package.
