

Support highlights

We've collated links to some of our core resources into this one-stop guide. These highlighted resources will enable you to get up to speed quickly in the classroom and support your students in preparing for assessment. They include materials that will focus your teaching on individual abilities of students, help determine their capabilities and above all save you time. Many more resources are available from the [OCR website](#).

Guide to finance calculations

[Download the guide to finance calculations](#)

This guidance document has been prepared to assist centres with the finance calculations for the GCSE (9–1) Business specification. It includes key formula, an example cash flow forecast, break-even graph and stepped approach to calculating ARR.

Check-in teaching activities

[Access the check-in activities](#)

There are seven sets of 20 multiple-choice questions, organised by topic to assess students' current level of knowledge. You can use them as in-class assessments, homework tasks or revision. Each one is a Word file which allows you to reorganise, add or delete questions and use in whatever way is most helpful. Each check-in includes answers with the rationale for the correct answer and distractors.

Scheme of work two-year planner

[Download the two-year planner](#)

This scheme of work offers an example of how the course can be organised over two years. It is designed as a guide only. It includes a suggested teaching order of topics, textbook references, other resources and notes indicating where topic order can easily be changed. The document is a Word file which allows you to easily make changes to the amount of teaching time available, order of teaching and resources.
