## How to use this guide

To start delivering Cambridge Technicals in Northern Ireland in a school setting, the qualification must be made available by OCR in Northern Ireland and included in the [NIEFQAN file](#) as approved for delivery in schools by the Department of Education.

Where a qualification is listed as not approved in use for schools but available in Northern Ireland, you must submit a request to the Department of Education for approval before starting delivery. Please see the [Department of Education website](#) for more details on this process.
