Annual centre fee

We charge an annual centre fee of £778.00 for work-based learning centres and colleges offering our vocational qualifications. This is payable on 1 September each year and applies to centres who made entries between 1 August and 31 July the previous year. New centres, who make entries for the first time during 2025/26, will not be charged the fee until September 2026.

Without paying the annual centre fee, centres cannot make any new entries.

Where centres make entries using more than one centre number, only one fee will apply.
